

Static Discharge Reels

SD, SDH & ENSD Series

The SD, SDH & ENSD Series "Static Discharge" cable reels are built heavy duty and designed for long lasting performance. They are specifically designed to be used in combustion environments where the static buildup could ignite a spark and subsequent explosion. Static discharge or grounding reels are commonly paired with fuel hose reels. Available with both galvanised and stainless steel cable.

SD SERIES Offers...

- High Visibility Orange Vinyl Cable Cover
- Includes Cable, Stop & 50 Amp Grounding Clamp (100 Amp Copper Grounding Clamp Available)
- Non-Sparking Locking Ratchet Secures Cable At Desired Length
